FLOATING CRANES FOR RIVER TRANSPORT -- Politika, No 13274, 26 Jun 49

The Shipyard at Cukarica, which fulfilled its plan for the first half of 1949 5 days ahead of schedule, has finished the most important work on nine vessels during the last 6 months. It has made the ships Zagreb, Beograd, and Smederevo ready for freight and passenger service, completed work on the dredgers Nisava and Drina, and performed more than 100 minor repairs.

Two floating cranes under construction will be the Shipyard's first contribution to river transportation.

TATK CARS TO CARRY WINE -- Politika, No 13034, 8 Jul 49

The Railroad Car Workshop of the State Railroads at Subotica has begun the construction of railroad tank cars for carrying wine. The cars, designed by two Yugoslavs, are being built exclusively of worn-out railroad cars. Thus far 15 of these cars have been finished and put into service, and 15 more are to be built.
